GENERALITIES OF THE GAME

DRAW SELECTION: A single ticket number will be selected each week by a gaming lab certified Random Number Generator (RNG) from all raffle ticket numbers sold during the week leading up to the draw. Draws will be made at the following locations:

- Canora Curling Club at 701 Main Street from Jan. 7th to April 15th & Oct. 21st to Dec. 30th, 2021
- Canora Golf & Country Club at 333 Canora Avenue from April 22nd to Oct 14, 2021

The draw will be made at approximately 7:30pm and streamed live on Facebook. The CGCC will have a minimum of three people present at each draw following social practices. Purchasers do not need to be present to win and social distancing practices are encouraged.

WEEKLY WINNER: Each weekly draw winner will receive a single cash prize equal to 20 percent of all ticket sales collected during the week. The winner will be contacted by phone and asked to choose an envelope from the remaining envelopes, each containing a single card from a standard deck of playing cards. If after 3 attempts over 15 minutes, the winner hasn't been contacted, a designated proxy (Gerald Dennis or Mike Skibinsky) will choose an envelope for the weekly winner. The chosen envelope will be opened and the playing card revealed. If the card revealed is not the Ace of Spades, the selected envelope/card is eliminated from the following weeks available envelopes/cards. If the envelope selected with the winning weekly draw ticket reveals any playing card other than the Ace of Spades, the game continues. All tickets from the

previous week are then voided and ticket sales commence for the next weekly draw.

PROGRESSIVE JACKPOT: If the envelope associated with the winning weekly draw ticket reveals the Ace of Spades (including week 1), the weekly draw winner will also receive the Chase the Ace Progressive Jackpot, consisting of 30 percent of all ticket sales collected over all weeks. The Raffle is then concluded. It will be up to the CGCC if they wish to restart the raffle again.

GAME PLAY OUT: If the game is not concluded by the end of the licensing period according to the dates of the SLGA license, the game will be played out on the last Friday before license expiration which will be December 30th, 2021. RNG draws will be made and envelopes selected until there is a winner. There will be no sales between these draws and if the 20% prize weekly winner does not choose the ace, only the 30% progressive jackpot will be eligible to be won by subsequent draws.

NUMBER OF TICKETS: There will be 20,000 \$5 tickets available, 30,000 sets of 3 tickets for \$10, 20,000 sets of 10 for \$20.00 tickets and 4,000 sets of 50 tickets for \$50 totaling \$1,000,000 in tickets for sale and a total possible prize value of \$500,000.

POSTING WINNERS: The winning ticket number will be posted to CGCC website following each weekly draw, along with the weekly prize amount and the revealed playing card associated with the weekly winning ticket. Winning information will be announced and streamed live on Facebook.

CARD/ENVELOPE SECURITY: A standard deck of 52 playing cards will originally be counted and the Ace of Spades confirmed to be in the deck. The cards will be shuffled and placed face down into non-transparent envelopes and sealed. The appointed coordinator from the organization, will then shuffle the envelopes and another person designated by the CGCC will number the sealed envelopes from 1 to 52. Mayor of Canora, Mike Kwas will then sign each envelope along the seal of the envelope. After each week's envelope selection, the remaining cards will be locked up for safe keeping until the following week's draw.
